

BECOMING A MEMBER OF SPIRITUAL HEALTH ASSOCIATION

Spiritual Health Association is the peak body for spiritual care in the health sector. Our focus is on advocacy for and promotion of compassionate, person-centred spiritual care in health services.

Member Benefits

Spiritual Health Association is delighted to offer members a range of benefits and value to advocate for safe, high-quality, and person-centred spiritual care.

Becoming a member will enable you to contribute to developing the vision and future directions for inclusive spiritual care services that are responsive to what matters most to patients, and to the changing needs of the health sector.

Opportunities include:

- Voting rights at the Annual General Meeting
- Ability to nominate for a position on the Board
- Member discounts to Spiritual Health Association events and professional development opportunities
- Contributing to submissions and policy papers
- Participating in working groups, networks and forums
- Access to Spiritual Health Association standards, resources and publications, including access to the most up to date research and evidence for spiritual care
- Access to individual consultation with Spiritual Health Association staff
- Partnering for International Spiritual Care Week activities
- Featuring in the monthly Spiritual Health Association newsletter to over 1,000 stakeholders.

Membership is available to eligible incorporated organisations providing spiritual care, or related education, research or service planning and coordination as a core component of their activities.

“When spiritual needs are recognised and responded to as an integral part of person-centred care an essential contribution is made to peoples’ health and wellbeing.”
